What do I do with...?

Computers and TVs

Drop off at Kimbriki Resource Recovery Centre, Belrose Resource Recovery Centre or Harvey Norman Balgowlah.

Household chemicals

For drop off locations and Chemical CleanOut events visit epa.nsw.gov.au or call the EPA Environment Line on 131 555

Scan the QR code to visit the website and view our network map on where to take various items locally for reuse and recycling.

For items not on the map, check our A to Z Guide to Reuse and Recycling online.

How do I present my vegetation?

Offshore communities receive two scheduled vegetation collections per year (refer to calendar for dates). **Vegetation must be presented in tied bundles or hard sided containers the weekend before the scheduled collection date.**

Mackerel Beach residents

If you have road access, please place your vegetation at the road reserve outside your property. For those properties facing the waterfront from 14-34 Ross Smith Parade, place your vegetation at the northern corner of Monash and Ross Smith Parade.

Other Western Foreshore residents

For properties located on Elvina Trail (McCarrs Creek), Wurringulla Avenue (Elvina), Sturdee Lane (North Elvina, South Lovett Bay), Bona Crescent (Lovett Bay East, Morning Bay) excluding 12 - 34 Bona Crescent, please place your vegetation at the road reserve outside your property. For those properties located at West Lovett and Portions, Bonnie Doon and Coasters Retreat, 12 - 34 Bona Crescent and The Chase, Lovett Bay, place your vegetation at the public wharf*.

*If your collection location is a public wharf, please secure vegetation at the wharf's entrance point to avoid spillage and ensure clear access for pedestrians.

Council may also schedule additional and separate fine fuels vegetation collections to mitigate bushfire risk. Timing of these may vary depending on the season and bushfire threat. Residents will be notified separately when these additional collections are scheduled.

Please contact Council to **report a damaged or missing bin**, or if you see any **illegal dumping**.

Have you considered giving your bulky goods a new life?

Most bulky goods items collected will be compacted, crushed and sent to landfill.

Consider the many ways you can sell, recycle or upcycle before you present your items for collection.

Find tips to reduce your waste and where to recycle/reuse items locally on the Council's website.

Bulky Goods Collection Service

Offshore communities receive two scheduled bulky goods collections per year. **Materials must only be placed out the weekend before the scheduled bulky goods collection date.**

Building and renovation material **must not be placed out for bulky goods collections** – you should ask your building contractor for a receipt to show any construction waste has been properly disposed of.

Hot water systems **must be emptied**

Doors are removed from all whitegoods and large items dismantled

Ensure **nails are not protruding** from any items

Up to 12 fence palings

Remove glass from frames (break glass, wrap in paper and place in garbage bin)

Items must **not be longer than 1.8m or heavier than 40kg** (except whitegoods)

Manageable quantities of **non branded delivery pallets** are accepted

Maximum amount is 3 cubic metres per household.

Metal items should be presented in a separate pile for recycling
